Premier American Bank, N.A. to be rebranded as Florida Community Bank, N.A.

Miami, FL (July 25, 2011) – Premier American Bank, N.A. announced today that effective Monday July 25, 2011 it will change its name to Florida Community Bank, N.A. Florida Community Bank (FCB) and Premier American Bank (PAB) were both purchased by their parent company Bond Street Holdings, Inc. in January 2010. Since then Bond Street Holdings has purchased six additional Florida based banks, which have been merged into one bank and will be reopening as FCB.

“The decision to adopt the name change was one we considered for a long time before it was finalized” said Kent Ellert, President and Chief Operating Officer of the Bank. “Rebranding Premier American Bank as Florida Community Bank is an important milestone for our Bank” he added. “Premier American Bank was the first of our acquisitions and we were sensitive to that legacy; however, with a significant portion of Florida’s deposits being controlled by banks that are based out of state, retaining the Florida Community Bank name reinforces our commitment to building the best Florida Based, Florida Focused Commercial Bank.”

While the name of the bank is changing, little else will be affected. Customers will begin seeing the Florida Community Bank name and logo replace those of Premier American Bank, but there will not be any changes to products, services or customers’ accounts. “The branches and people you know will still be here, ready to put the strength of our bank to service for you” stated Ellert. “Our customers are now able to take advantage of our expanding Florida branch network which currently provides clients access to forty-six offices throughout Florida.”

Florida Community Bank has sent informational packets and a rebranding Question & Answer guide to all current customers of Premier American Bank, but encourages those with additional questions to call their Customer Service Support team at 866-764-0006, or visit their website at www.floridacommunitybank.net.
